Trial Lessons

If you are trialling a lesson, please wear appropriate form-fitting dance wear / sportswear e.g. fitted singlet top, fitted t-shirt or leotard with leggings or bike shorts. If trialling a tap class wear your school shoes or buckle/laced leather sole shoes. Bare feet are best for all other classes as socks and jiffies are slippery. Once you have decided which classes you would like continue, you should purchase the correct uniform as soon as possible. Having the correct uniform helps new dancers to settle into their class. Students are required to wear one of the SDGA uniform pieces to all classes within 3 weeks of attending classes. No other colours or logos are to be worn.

Pre-Loved Uniforms

To sell pre-loved uniforms, please place your pre-loved items in separate ziplock bags labelled with your name and price in permanent marker. Space is limited so we will only accept items that are in near-new condition. While we plan to add extra uniform pieces for warmer and cooler seasons, we don't anticipate that the uniform will change any time soon. All pre-loved items left for sale must be collected if a student leaves SDGA. It is the student's responsibility to collect unsold items. If these items are not collected within one term of leaving SDGA they will be donated to future students.

Hair and Jewellery

Girls hair must be in a bun using plenty of bobby pins for ballet and off the face for all other styles (preferably in a bun). Girls may wear a matching coloured hair ribbon or scrunchie. The key to a good bun is starting with a secure ponytail, this requires a thick hairband. Boys hair must be back off the face. Watches, Fitbits, Garmins and necklaces are not to be worn in class. Jewellery must be kept to a minimum for safety reasons.
